COMMANDER'S CORNER

Greetings Fellow Legionnaires,

Can you believe that summer is almost over and fall is right around the corner?

With the change of seasons a new set of goals for our post begins. Bringing to the forefront the need for volunteers, this is the core of the American Legion. They are what define us. Every post and every program depends on volunteers and the countless dedicated efforts they bring to the Legion. I encourage and challenge you that if you have the time volunteer and make that time count!

Convention week was in July and I had the pleasure of attending my first one. I met lots of new people, went to Legion College and learned a great deal. Although I was limited to two days this year, I plan on attending the entire week next year. Regardless of if you are an officer; I believe you will find it to be a rewarding experience.

Be sure to support our post! We have many events coming up in the next few months. The SAL Crab Feast in September, Las Vegas Night in Severn in October and regularly scheduled events which includes Wacky Bar Bingo on the first and third Wednesday night of the month, Friday night dinners and breakfast on the fourth Sunday of every month. Enjoy the rest of the summer!

Yours in Legion Service,

Rebecca L. Stoll
Commander

First Vice Commander

MEMBERSHIP

As you probably know that membership in any organization is what keeps it alive. In one year our post has dropped 34 members who did not renew or have passed away. But the majority is from our members not renewing their membership. Some members are coming back, but we need everyone to renew their membership. So I ask each and everyone to please pay your 2017 dues early. I would also like to ask each and everyone to use the membership application and sign-up a veteran either a neighbor or a co-worker. Remember recruiting new members is everyone's job, not just the first vice.

I would like to report that so far this year we have 288 members paid into the Department of Maryland. Right now we are waiting for the National organization to credit the post with our Paid-up-for-like members. Which is about 120. I will give you a membership up date in my next newsletter.

Remember you can also pay your dues online, just go to legion.org and click on dues renewal. It is easy and saves you the trouble and cost of mailing your dues.

Just a reminder that the EARLY BIRD PARTY will be held on November 13th at 2 P.M. in the post home.

For those of you who might be interested in becoming a paid--up-for-life. Please see the chart below. Please note that the National Organization has been giving a discount for those who buy a PUFL and pay for it in full. The last time I checked it was \$100.00 off the regular price.
